

AI + EARLY CHILDHOOD EDUCATION

Jodie Clarke

AI drafts, educators decide.

SPEAKER · WRITER · CONSULTANT

I help Australian early childhood services use AI safely and sensibly, without losing the authentic documentation and professional judgment our frameworks demand. My guidance is floor-tested: practical, calm and grounded in what is actually happening in services this week.

SIGNATURE SESSIONS

AI Drafts, Educators Decide

FOR EDUCATORS · TEAMS · CONFERENCES

Practical AI use that protects authentic documentation, built around the 3-Question Quality Check: is it accurate, does it sound like me, does it connect to THIS child?

AI and Your QIP: What Regulators Actually Expect

FOR DIRECTORS · COORDINATORS · QUALITY TEAMS

A leadership briefing on closing the gap between what educators are already doing with AI and what your policies, records and QIP currently say.

Before the Guidance Arrives: Your Service's AI Position

FOR APPROVED PROVIDERS · BOARDS · FDC SCHEMES

Governance, privacy and family transparency, and how to set a one-page AI position now, ahead of formal direction under the NQF.

FORMATS & DELIVERY

- Online as standard: keynotes, workshops, staff meeting sessions and leadership briefings, Australia-wide with no travel barriers.
- In person across the Northern Rivers, Gold Coast and Brisbane, and by arrangement.
- Whole-of-service consultation, AI-readiness planning, and written commentary for sector publications and media.

“You don’t need to be tech-savvy,
you need to be educator-savvy.”

THE PRINCIPLE BEHIND EVERY SESSION

AT A GLANCE

30+ years

of practice across long day care, family day care, preschool and OSHC

10+ years

supporting Australian educators online through The Empowered Educator

25,000+

educators in the community I lead

Podcast host

Early Education in the Age of AI

Framework author

The 3-Question Quality Check and the EASE prompting method, used in services nationally
